

Quality Policy Statement

Randstad CPE aims to be the number one Construction, Property and Engineering recruitment company in the UK within the next five years as measured by turnover, gross profit and recognition as a quality leader within our market. We have the strength and depth to provide services that consistently achieve customer satisfaction, meet customer requirements and exceed customer expectations.

Randstad CPE is committed to achieve its Quality Policy through the implementation and maintenance of a quality system which has been developed to meet the requirements of ISO 9001:2008.

Furthermore the successful implementation of our Quality Policy involves all of our staff who are individually responsible for the quality of their work. Our policy will help to achieve right first time error-free processes which minimise waste, maximise client satisfaction and increase profit.

Employees of all levels have been made aware of our Quality Policy and the importance of meeting the requirements of our customers, our certification and ensuring compliance with relevant statutory and regulatory requirements.

This policy will be regularly reviewed to ensure it remains relevant and appropriate to the Company and its continual improvement.
